Disability

Millennium Integrated Primary School is an Equal Opportunities Employer and welcomes applications from people with disabilities.

In accordance with the Disability Discrimination Act, a person is disabled if they have, or have had, "a physical or mental impairment which has, or has had a substantial and long-term adverse effect on their ability to carry out normal day to day activities".

Please provide information which is relevant regarding specific requirements that you may have so that reasonable adjustments may be made for you if you meet the agreed shortlisting criteria and are invited to the next stage of the selection process.

You must not assume that that reasonable adjustments will be on the basis that you may have indicated on the Equal Opportunities Monitoring Questionnaire that you have a disability. The Equal Opportunities Monitoring Questionnaire is detached from your application form prior to any member of human resource staff or the selection panel viewing it, therefore those making assessment/interview arrangements will not be aware of this information.

If you indicate that you do require reasonable adjustments, a member of the school staff will contact you to discuss your needs in more detail.

Information Relating to the Selection Process

Applicants are strongly advised to carefully consider the job description and the person specification for the post. When completing Section B of your application form, include all pertinent details and ensure that you clearly demonstrate how you meet each of the essential and desirable criteria for the post. It is also important to consider that, where there is a minimum requirement, this criterion may be enhanced.

It should be noted that shortlisting will be based solely upon the information provided on your application form. Members of the shortlisting panel are not permitted to take into consideration information known to them personally about your application or to make any assumptions about the information which you have provided.

Education (if applicable)

If you are applying for a post on the basis of a qualification which is not specifically detailed in the person specification for the post, but which you consider to be a relevant equivalent qualification, you must provide specific evidence to demonstrate its equivalency in comparison to the qualification that was specifically detailed in the person specification. It is therefore your responsibility to demonstrate on the application form how the qualification you possess is deemed equivalent to the qualification(s) detailed in the person specification. You must submit clear evidence in respect of the subjects/modules you have undertaken, the examining body which has verified its equivalency for you and the breadth of overlap. If you do not provide this equivalency information, the panel will not be able to consider your application further.

It is important to be as specific as possible, as the possession of relevant qualifications may be used as part of the short-listing process. If the information relating to your qualification is incomplete, for example, you do not state the grades for your GCSEs, the panel will not be able to consider your application further.

Professional Qualification and Membership of Professional Bodies (if applicable)

Please include full details of the professional body or organisation, the current professional qualification and the date of attainment. Also include the type of membership you hold, for example, Graduate, Associate, Fellow, etc., and the date when this grade of membership was obtained. If the membership has lapsed, please state this on the application form.

Relevant Training Courses Attended (if applicable)

Please include full details of any relevant training course together with the training body, the name and level of course and when this was attended.

Current/Most Recent/Previous Employment

Please include the name and address of your current employer, the exact date your employment started (that is, the date, month and year), the title of the position you hold, your current salary or scale of post and the notice period. It is important to state your exact dates of employment (that is, date, month and year) because this may be calculated to the exact day for short-listing purposes.

Please state the start and end dates of your relevant experience (that is, date, month and year) and check the accuracy of these dates before submitting your application form. It is important to state your exact dates of employment (that is, date, month and year) because this may be calculated to the exact day for short-listing purposes. If you provide insufficient detail about the dates of your experience, you will not be short-listed.

You must possess the required length of experience at the closing date for receipt of application forms, as the short-listing and interview panel will only consider experience up to this date.

Child Protection

Posts involving work in educational establishments are subject to the provisions of the Safeguarding Vulnerable Groups (Northern Ireland) Order 2007.

The successful candidate will be required to complete an Access NI disclosure certificate application prior to appointment, and will be expected to meet the cost of an enhanced disclosure certificate.

Transport (if applicable)

Please confirm if you have access to transport to meet the requirements of the post.

Essential and Desirable Criteria

You will be required to demonstrate, by giving personal and specific examples on your application form, how you meet the experience as detailed in the person specification. The

definition of personal and specific examples is evidence of your personal involvement in this experience and relevant examples to show the breadth of your experience.

When providing examples, it is imperative that you demonstrate on your application form how and to what extent you meet the essential and desirable criteria.

- Do not use acronyms or complex technical detail. Write for the reader who may not know the specific detail of your job.
- Write down clearly your personal involvement in any experience you quote. Write “I” statements e.g. I planned meetings, I managed a budget, I prepared a presentation. It is how you actually carried out a piece of work that the panel are interested in.
- The examples you provide should be concise and relevant to the criteria. It is your unique role the panel are interested in, not that of your team or division.

In preparing your application form you may wish to think about having a clear structure for each of your examples, such as:

- Situation – briefly outline the situation
- Task – what was your objective, what were you trying to achieve?
- Action – what did you actually do, what was your unique contribution?
- Result – what happened, what was the outcome, what did you learn?

Please note that the panel can only make a decision based on the information you provide in your application form and how this matches the criteria in the person specification.

You must complete the relevant information relating to your experience in the relevant section. Never assume that, because the short-listing panel know you or your work, there is no need to provide detailed information in your application form. It is your responsibility to demonstrate sufficient evidence, by way of personal and specific examples, that you meet the criteria in the person specification. If you supply insufficient detail, by way of personal and specific examples, you will not be short-listed.

Declaration

After you have read and confirmed your acceptance of the declaration, please sign and date in the appropriate boxes. By signing the box you are certifying that the information you have provided is correct and that any false or misleading information, if proved, may result in your application not being progressed, or, if appointed, in dismissal.

If you email your completed application form, please tick the appropriate boxes to confirm your acceptance of the declaration. If you are successful in being invited to the next stage in the selection process, you may be asked to sign your application form at a later stage.

Data Protection/GDPR

The information on your application form is required for the purposes of processing your application. It is essential that the details you provide on the application form are correct. The data provided will be processed in compliance with the Data Protection Act 1998 (as amended) and General Data Protection Regulation (GDPR).

The Candidate Privacy Notice provided as part of the job application pack provides full information on the use of your data and the protections and rights available to you in relation to processing, sharing and disposal.

You are required to read and ensure that you understand the Candidate Privacy Notice prior to completing and signing the declaration on the application form. Failure to do so will result in your application not being progressed.

Canvassing

Canvassing means contact or communication at any time in any manner (direct or indirect, oral or written, specific or general) with any employee or governor of the school which could be deemed or perceived to be for the purpose of advancing that application. Any applicant who is found to have approached a panel member regarding a post with a view to seeking favourable treatment will be disqualified.

Section 3 – Completing your Equal Opportunities Monitoring Form

The Equal Opportunities Monitoring Questionnaire must be submitted along with your Application Form by the specified closing time and date. Upon receipt of both documents the Equal Opportunities Unit, records the information from your monitoring questionnaire on a secure computerised information system and stores the monitoring questionnaires confidentially. Your application form is then forwarded to Recruitment and Resourcing Team for consideration.

Please note that the Equal Opportunities Monitoring Questionnaire must be completed, even if the applicant has previously applied for employment with Millennium Integrated Primary School.

The school monitors applications for employment in order to measure the effectiveness of its Equal Opportunities Policies and to comply with its various legal obligations.

The school monitors applications for employment in terms of community background (support staff – non-teaching only), sex, marital status, political opinion, racial group, disability, sexual orientation and family status. The use and confidentiality of community background information is protected by the Fair Employment and Treatment (Northern Ireland) Order 1998. It will be used only for monitoring, investigations or proceedings under the requirements of the above legislation.

The school does not discriminate against job applicants or employees on any of the grounds listed above. We aim to select the best person for the job and all recruitment decisions will be made objectively.

The Equal Opportunities Monitoring Questionnaire is not presented to the selection panel.

Section 4 – Returning your Application Form

Completed Application forms and Equal Opportunities Monitoring Questionnaires must be returned by the specified closing time and date using one of the following methods:

- Post
- hand delivery
- email to bcorrigan641@c2kni.net

If posting or hand delivering your application form, please ensure that it is forwarded to the correct address. Millennium Integrated Primary School will not accept responsibility for application forms delivered by any other method or to any location other than that specified in the job description.

Completed application forms must be submitted by the closing date indicated thereon. Late or faxed application forms will not be accepted. Additional pages or CVs will also not be accepted.

If posting an application form it is your responsibility to ensure that the correct postage for the weight and size (including thickness) of the envelope is adhered to in order to ensure that the application is received by the closing time/date.

Please ensure that when emailing the application form to bcorrigan641@c2kni.net that the subject line is completed with the Job Reference Number as indicated on the application form.

Section 5 – The Selection Process

You are strongly advised to carefully consider the job description and the criteria for the post to ensure that your application includes all pertinent details and demonstrates clearly how you meet each of the criteria for the post.

You should note that shortlisting will be based solely upon the information provided by you on your application form. Members of the shortlisting panel are not permitted to take into consideration any information they already know about you.

Shortlisting

The essential criteria that will definitely be applied at shortlisting will be identified in the person specification for the post. When a large number of applications are received the selection panel reserves the right to apply the desirable criteria and/or enhance the minimum criteria if necessary in order to facilitate a manageable shortlist.

To ensure that all applicants are treated fairly and consistently, this use of desirable or enhanced criteria will be agreed at shortlisting prior to examination of the application forms. It is the responsibility of applicants to provide the best evidence possible on their application form to demonstrate how they meet each of the essential and desirable criteria.

Interview Arrangements

Shortlisted candidates will be notified of the date and time of interview. You will be required to bring original current and valid photographic evidence of identity to interview, i.e:

- Passport
- Driving licence
- Electoral identity card
- A national identity card (if a foreign national)

A photocopy of identification is not acceptable. Failure to provide such evidence of identification may result in you being refused an interview.

If you are unable to attend the interview at the date and time specified, or wish to withdraw from the selection process, it is essential that you contact the school at the earliest opportunity either by telephone or in writing. A request for an alternative interview date will only be considered in exceptional circumstances and will be at the absolute discretion of the Board of Governors.

Notification of the Successful Candidate

Candidates should note that selection panels recommend candidates for appointment only. Candidates are advised that a recommendation for appointment is not an offer of employment and must not be treated as such.

A candidate is deemed to have been offered the post only on receipt of a formal written offer of employment from Millennium Integrated Primary School. Recommended candidates should take no action to terminate their current employment until they are in receipt of a formal written offer of employment from Recruitment and Resourcing Team.

Any recommendation for appointment will be subject to the following:-

- Completion of a Health Declaration Form. Upon receipt of such, the school may, at its discretion, require a candidate to attend a medical examination

- Issue of a satisfactory Enhanced Disclosure Certificate for posts involving regulated activity
- Documentary evidence of eligibility to work in the UK
- Receipt of original Birth Certificate
- Receipt of original documentary evidence of qualifications where qualifications formed the agreed shortlisting criteria
- Receipt of two satisfactory references (please refer to Reference section on page 3).

The information provided must be official original proof that you possess, at the closing date for receipt of application forms, all qualifications and/or membership of any relevant professional bodies which you relied on to support your application form.
